## 2. Barriers to future attainment (for pupils eligible for PP)

### In-school barriers

<b>A.</b>	A low language level on entry to school has long term impact upon formulation and writing of well-structured sentences. In turn impacting upon KS1 writing results and thus impacting upon outcomes and standards in KS2
<b>B.</b>	The number of pupils who are in receipt of PP who are also identified as vulnerable children and work with outside agencies.
<b>C.</b>	Parental engagement with the school; attendance at information meetings/workshops and completion of homework and reading for this group of parents.

### External barriers *(issues which also require action outside school, such as low attendance rates)*

<b>D.</b>	Vulnerable families accessing other agency support to support them with parenting skills and safeguard the children.
<b>E.</b>	Social and emotional barriers affecting learning.
<b>F.</b>	Access to Reading material at home

## 3. Outcomes *(Desired outcomes and how they will be measured)*

### Success criteria

<b>A.</b>	Improve oral language skills for pupils eligible for PP in EYFS, Year 1 and Year 2 enabling them to write in full sentences.	Pupils eligible for PP in EYFS, Year 1 and year 2 make rapid progress by the end of the year so that all pupils eligible for PP meet age related expectations in writing
<b>B.</b>	The gap diminishes for the vulnerable children eligible for PP compared with the children who are not eligible for PP	Vulnerable children eligible for PP in Year 1 and Year 2 make rapid progress by the end of the year in reading writing and maths so that they meet age related expectations. Measured in year 1 by teacher assessments and year 2 by SAT's and by successful moderation practices across ADVTSA.
<b>C.</b>	Increased attendance of families whose children are eligible for PP attend information events and support their child in completing homework reading diary.	Information events provided at different times of the day(9am and 6.30pmstarts.) workshops run for parents in how to support child in reading and maths linked to reasoning.
<b>D.</b>	Vulnerable families to engage with outside agencies to gain support for home/family situations	Families identified via safeguarding procedures are supported at home to provide support and improve the child's and families well-being and in turn impact upon outcomes at school

<b>E.</b>	Children's self-esteem raised; children are more confident within the classroom environment.	Small group activities, PSHRE activities/circle time activities
<b>F.</b>	Families and parents use the school library more to enhance their reading material at home.	Access and enrolment with new school library system.

#### 4. Planned expenditure

Education Endowment Foundation research used to support the actions in this plan. In particular; Mastery Learning,(+5 progress) Collaborative learning (+5) Mastery Learning (+5) Social and Emotional Learning (+4) Meta Cognition and Self-Regulation (+8) as well as looking at the Early Years Intervention Teaching and Learning Toolkits focusing on Early numeracy Approaches(+5), early communication and language approaches(+6), early literacy approaches(+4) and early self-regulation strategies (+7).

Due to the fact that Raise on line is no longer then we have used our won school data whilst we await ASP and the local Derbyshire data books

Through work scrutiny, monitoring of children outcomes; achievement and attainment, as well as the case studies ,the identification of the next steps required for individual children were made.
