

## English

This term we will focus on writing instructions within a recipe and writing a non-chronological report relating to food. Our model text will be 'Charlie and the Chocolate Factory' by Roald Dahl. The group will write both for pleasure and purpose developing their creativity by describing settings and characters from the story. We will also explore rhyming poetry, for example: 'Pure Imagination'. The group will also write a recount of their school trip to Cadbury World. Our focus in SPAG will be to use time conjunctions, prepositions, prefixes, homophones and adjectives effectively. We will continue to follow the No Nonsense Spelling programme to help teach the group strategies, knowledge and skills.

## Science

In Biology we will be looking at animals including humans, nutrition and skeletons. We will cover the following aspects:

- Identify some important bones.
- Describe how the main food groups benefit the human body.
- Identify the different food groups.
- Describe how the skeleton and muscles work.
- Identify that humans have skeletons and muscles for support, protection and movement matter.

## DT

The group will prepare and cook a variety of predominantly savory dishes using a range of cooking techniques and explore artwork by Giuseppe Arcimboldo.

## Maths

For the first part of the half term, we will be working on Place Value. We will be representing and ordering numerals to 100/1,000, counting in 50's, finding one more/one less than a given number and recognising the place value of each digit (100's, 10's and 1's). In the second half of the term, we will move onto addition and subtraction. The group will add and subtract numbers mentally, use formal written methods, estimate the answer to a calculation, solve a range of problems and use inverse operations. We will continue to become more fluent with multiples of 2, 3, 4, 5, 8, 10, 50 and 100. The group will also have the opportunity to access TT Rockstars and Doodle Maths daily.

## PE

PE will be every Wednesday morning in the Leisure Centre. The group will develop their skills in Hockey and Football in readiness for sports events taking place at QEGS.

This term our topic is:  
*'Scrumdiddlyumptious'*

Autumn 1- Year 3  
Mrs Peach

## PSHE

Our theme this half term is 'Being Healthy', which links well with our Scrumdiddlyumptious topic. The group will gain knowledge on how to remain healthy both physically and mentally. We will discuss what impacts our health, compare a healthy and unhealthy lifestyle and develop an understanding of what is included in a balanced diet. In RSE the group will develop an understanding of what helps us to overcome barriers to reaching health related goals, how to make positive lifestyle choices and what helps make people feel happy.

## Computing

Understand the purpose of powerful passwords and develop their coding skills using Scratch.

## Spanish

The group will learn how to say and write a greeting and a farewell, recall and write numerals 0 to 10, be able to ask 'How are you?', 'My name is' and 'What is your name?'. The group will also learn to say some colours in Spanish.

## RE

In RE this half term, we will explore the 'Creation Story' and discuss what Christians learnt from this. We will also identify different belief practices and forms of expression which influence individuals. The group will gain a deeper understanding and appreciate the wide range of cultural influences that have shaped their heritage and those of others. The group will also participate in Harvest celebrations.

## History

Explore what impact Sojourner Truth had on Women's Rights and how James Lind experimented to eradicate scurvy.

## Geography

The group will develop their knowledge of Food Miles and Fairtrade. They will also learn about the weather, environment, change and sustainability.
