

'Learning and Growing Together'

September 2025 Newsletter

Welcome back to St Oswald's- and I would like to extend a very warm welcome to all families joining us and welcome back to everyone already familiar with St Oswald's. I hope you have all had a wonderful summer and feel relaxed and refreshed as well as managing to have lots of fun!

As usual, we look forward to a very exciting term ahead with lots of interesting events and lessons. St Oswald's is a very special place to be and it is a privilege to be part of the dedicated team of adults, children, parents and Governors. Our ethos is such that we are like the tiny seeds growing over the year into the mighty tree as Jesus describes in the kingdom of heaven.

The Summer Holidays have seen lots of cleaning and tidying- windows have been repainted and general tidying around the school

Staff have been in school during the holidays preparing for the forthcoming term and year. Classes have their own dedicated page on the school website which will be updated with information and the termly overview. There is an opportunity for you to meet your child's class teacher on Monday 8th September at 3.30pm. At this meeting they will be able to share the expectations for the year group and you will have the opportunity to ask any questions. As always, my door is open if you require any information or support.

The School Day

Doors will open at 8.45 am Children will be able to come into school at 8.45am.

Children in classes in the annex (Year 4, 5 and 6) will come to school via the 'Kissing Gate' near the new play area where a member of staff will greet them,

and they will be able to walk to their class independently. This will be either Mr Armstrong our caretaker or myself.

Children in year 3 will enter school via the blue door on the playground which leads into the main school building.

Infant children will go in via their classroom doors and parents can still bring their children onto the playground and collect at the end of the day.

All doors and Playground gates will close at 8.55am. Registers will be taken between 8.55 and 9am. If your child comes in after 8.55 am they need to be taken to Miss Simons in the school Office. Learning will begin at 9am. The end of the day is 3.15pm

We would advise that due to congestion on the playground and the sheer number of pupils we have that you remain considerate and patient around the school gates. If you have a child in Key Stage 2 you may continue with the arrangement of meeting near the church as this also gives your child independence when leaving school. If waiting by the church please ensure you are visible to the class teacher and wave or make eye contact. Once they see you and let your child go, the parent is then responsible for ensuring the child crosses the road safely.

Children in year 5 and 6 can walk home on their own (or walk to a chosen meeting place) if this is going to happen, we will need confirmation, and an MS Teams form will be sent out at the beginning of the academic year in relation to this

We would suggest that when picking up your child you pick up your youngest child first.

We have an Open Door Policy, if you have any queries or would like to speak to your child's class teacher then there is more time at the end of the day; alternatively, you can make an appointment with your child's class teacher, or Mrs Wood, to discuss anything confidentially.

Notices

Please keep an eye on the school notice boards which are on the playground, outside each classroom and by the main entrance. They will have any new

messages regarding specific events, or things happening during the year. Letters will be sent via email, so if you have changed your email address, please provide Miss Simons with a new updated one.

Staff at our School

The staffing arrangements for the year are detailed on our school website. Each class teacher will provide and do a short power point introducing themselves and sharing the expectations for the year group.

We would like to welcome new staff to the school; Mrs Mowatt has joined our Wraparound team and Midday Team, I am sure you will join me in welcoming her to the team.

Vacancies: Currently we have no vacancies

Contacting Staff: Staff will respond to emails between 8am and 5pm. Please allow 24 hours for an email response. If you wish to contact a member of staff or arrange an appointment, please contact the school office who will arrange with the class teacher for a convenient time to meet.

Uniform:

Uniform is available to purchase in school. Please ensure you label everything!!!! Our expectation is that you wear the full school uniform- no black skirts, shorts or trousers. Boots are not to be worn to school.

PE Kits- Our expectation is that the school PE Kit is worn to school- No colourful leggings, football shorts or other sports gear. If pupils do not come in the correct kit, we will provide spares and ask them to change.

We do have a range of pre-loved clothes which we can provide for families if you require.

Please do not allow your child to wear jewellery to school. They will be asked to remove jewellery and place it in an envelope for safe keeping. If a child has their ears pierced and they are in KS2 studs can be worn, if they are in KS1 or EYFS no piercings are permitted.

Safeguarding

The Designated Safeguarding Lead at St Oswald's is Mrs Wood; Mrs Mansfield is the Deputy Designated Safeguarding Lead. If you have any concerns that a

child is suffering or at risk, then please call Starting Point on 01629 533190/01629 535353

Online Safety

Please click on this link for information on how to set up parental controls on your broadband at home.

<https://www.internetmatters.org/parental-controls/networks-wifi/>

Remember parental controls (although important) are not the only solution as they only prevent access to certain types of websites. Conversations at home about responsible online behaviour are the best forms of safety.

Mobile Phones: Governors have requested that the school Playground becomes a mobile free zone. Whilst you are on the school playground, please refrain from using your mobile phone.

Please do not take any photos of children on the school site or at school events. This is to protect our children across the school.

Staying safe online is a Safeguarding Responsibility of us all. If we become aware that your child is playing on games which are not age appropriate or if they have apps on their phones which are not age appropriate, then we will be in contact with you to discuss the reasons the games have an age limitation.

Our safeguarding governors are Mr T Kidsley and Ms Monro

Travelling to school

The beginning and end of the school days are extremely busy on Mayfield Road outside school. Please think very carefully where you park. It is safer to arrive 5 minutes early and park away from the school gates and walk the last 5 minutes to school. You will have noticed that there are signs outside school restricting parking, and this will be monitored by the Traffic Warden. Our motto is '**Park Away Stride Today!**' Where possible please walk, scoot or cycle to school. You can park in the carparks in Ashbourne for free after 3pm with your Derbyshire dales parking disc displayed.

Attendance

The register is taken between 8.55-9am. If your child comes to school after this time they will be marked as late.

Attendance at school is crucial- every day your child misses equate to lost learning. If your child is unwell then please contact the school office on the first day of absence. The phones will be manned from 8am. Please email the school office if your child is unwell not the class teacher; info@st-oswalds.derbyshire.sch.uk

If Miss Simons or Mrs Waring have not heard from you regarding your child's absence by 9.00am then they will call you. The Attendance policy is on the school website. Holidays are not permitted during term time. Attendance is rewarded with certificates monthly; these rewards are detailed on the school website. If your child arrives after 9am they will be given a 'U' mark and this will go against their attendance.

Leave of absence (this could be a pre-arranged appointment) needs to be requested. A leave of absence form can be requested at the school office. The DfE have provided updates on school attendance which can be found here; [DfE external document template \(childrenscommissioner.gov.uk\)](https://www.childrenscommissioner.gov.uk) Our attendance policy reflects the changes.

Parent Pay:

Please check your child's Parent Pay account and ensure any outstanding bills are paid. Miss Simons and Mrs Waring are looking at what outstanding payments are on parent pay and will be in contact over the next few weeks.

Fruit in school

Fruit in school is free for Key Stage 1 children. We ask that children try the fruit and have a single piece if they are not keen. In Key Stage 2 the children can bring in a healthy snack to school- fresh fruit/vegetables, etc. (**No nuts due to allergies and no pepperoni sticks, no items wrapped in wrappers, etc.**) We are a health promoting school and we have pupils who have allergies therefore we need to be mindful of what we bring into school

Keeping Healthy

We have updated our Medicine Policy. This can be found under Policies on the school website. We are now able to administer certain medicines within school however if your child is unwell and has a high temperature or sickness and diarrhoea, we will not be administering medicines. If your child needs medicine administering, please go to the office where you will be asked to complete a form, and you can hand the medicine to Miss Simons or Mrs Waring.

'The school will accept non-prescription medications Non-prescription medicines must be supplied by parents/carers in their original containers labelled with the pupil's name. They must be in date for the duration that they are required for and must be accompanied by the fully completed parental consent form. Parents must also on a daily basis inform school of what dose has been given to the pupil that day to avoid accidental overdosing. Schools who give non-prescription medicines in line with these guidelines should inform parents/guardian of any dose given in writing. The school will not keep a stock of non-prescription medication to give pupils. The school will not administer any medications containing aspirin unless prescribed by a doctor. The school will not administer Calpol if the child has a high temperature (links to COVID)'

Governors

Our Board of Governors support our school to strive to be the best it can be. They act as a critical friend to the head teacher and the senior leadership team. More information about the role of the Governors can be found on the school website.

Reading and Homework

We ask that you read with your child daily- 10 minutes a day is crucial in developing your child's love of reading and stamina. Reading books are changed twice a week and your child will be heard read up to three times a week individually and during Guided Group reading sessions.

Homework will be sent out weekly. The amount of homework increases as your child moves through the school. All homework will be linked to the learning your child will be doing in class. Our Homework policy is on our website if you would like to find out more.

Helping in school

If you would be interested in helping in school; listening to children read helping in lessons and supporting the school in any way then please drop us an email or pop and see Mrs Wood or one of the class teachers. If you are interested in

helping or you have a relative that is interested in helping then we would love to have you be part of the team.

Spare Clothes- If like me you have had a bit of a sort out during the holidays we would really love to have any spare girls or boys pants or socks that your child has grown out of- please pass on any spares to your child's class teacher. Many thanks!

Our Golden Rules and Classroom Values

We have extremely high expectations of behaviour within the school. We expect every child to follow the Golden Rules and our classroom values. We have updated our Behaviour Policy and Exclusion Policy which are attached.

Values Corner

This term we will be revisiting our school's core values and then thinking about Generosity- what that means as we approach harvest- how can we be generous. We will be raising money for Christian Aid as well as collecting food for our

harvest service which can support our School Food Bank and be donated to the Ashbourne Food Bank.

Classroom Values

We treat each other with dignity.

- We listen and respect each other's points of view and opinions.
- We treat each other as we wish to be treated with compassion.
- We work together to make decisions.
- We celebrate our uniqueness.
- We persevere in all we do listening to instructions.
- We stand up for what is right.
