Can We Build?

English

The children will explore the story *Giraffes Can't Dance* and develop their writing skills by learning how to write clear instructions to make a bottle shaker.

RE

The children will explore why Christmas is important to Christians. They will learn about the Christmas story and discuss its meaning, developing their understanding of Christian beliefs and traditions.

Nativity

The children will take part in the KS1 Nativity, bringing the Christmas story to life through acting, singing and dancing.

History

The children will learn about Remembrance Sunday and explore why we remember each year those who lost their lives in WW1. They will also learn about the Gunpowder Plot and why we celebrate Bonfire Night.

Maths

The children will continue to develop their addition and subtraction skills before moving on to explore 2D and 3D shapes and learn about the value of money.

Music

The children will explore beat and rhythm through practical music activities.

Science

The children will explore a variety of everyday materials and investigate their properties and suitability for different uses. They will also explore how materials can be changed by squashing, bending, twisting and stretching.

Art

Inspired by the artist Jackson Pollock, the children will investigate different ways of applying paint and making marks.

Computing

The children will explore how to experiment with and purposefully create digital music using Chrome Music Lab.

PSHE

The children will explore what it means to feel proud and celebrate what makes them unique. They will also learn about anti-bullying and the importance of kindness and respect.

RSE

The children will learn to appreciate what makes each of us unique.

PE

The children will develop their dance skills and continue their weekly swimming lessons every Friday.
