23	<p>How can we make St Oswald's Primary C.E. school even better?</p> <ul style="list-style-type: none"> • My child says 'can't improve on anything, they are that good!' • Finish the outdoor space x 3 • Complete the outdoor area <p>This will be completed during the Spring term- it is currently too wet and boggy to do anything on.</p> <ul style="list-style-type: none"> • Staggering lunch time to give more space for Juniors and infants, (Each year we will look at how we can do this differently- we currently stagger junior classes going into lunch) • more opportunities to come into school as a parents to see your child's work (celebration/reward assemblies) <p>We will discuss how we can showcase work completed in our classrooms at the end of a topic-class show and tell/assemblies etc...</p> <p>Need a lollypop lady for crossing due to older children walking home.</p> <p>Hopefully Cheryl will be back with us in the Spring Term following an operation on her shoulder.</p> <ul style="list-style-type: none"> • Give out more stars in class • PTA newsletters; I assume there is a PTA but have yet to hear what they are up to doing- forthcoming vents? <p>There is a Friends of the School- they send out information via Kay through emails- we could look at having a page on the school website.... The next event they are running is the Quiz night in January- more information to follow.</p> <ul style="list-style-type: none"> • A request from my daughter- larger portion sizes at tea as she always comes home starving as the portion sizes are small. <p>We will do our best!</p> <ul style="list-style-type: none"> • No, I think you have all excelled yourselves this year. Maybe it's time to relax and enjoy? Take your feet off the gas pedal- you deserve it! St Oswald's is the best school around- Fact!!!! • Father's day equal emphasis with mother's day, less rehearsals for the Xmas show and more PE, more outside space to run, shout, climb, play. More instruments and computing taught. <p>We are continually reviewing the curriculum and how we can incorporate more music into it- specific instrument tuition occurs each spring term for Year 4 pupils- this year Mrs Clarke will be teaching the Ukulele, and penny whistle.</p> <ul style="list-style-type: none"> • Make the transition from Reception to year 1 easier (end of Year R more work based and beginning of year 1 more play based) <p>We will discuss how we can make this transition easier.</p> <ul style="list-style-type: none"> • Just keep doing what you are doing and well done to you all • Greater flexibility for when parents can talk to the class teachers about their child. Parents evening is restrictive. <p>Parent's evenings are planned in for the whole year and parents are given the dates at the beginning of the academic year. We endeavour to meet with parents if other meetings are required and we have an open door policy and all teachers are available at the end of the day, but I also have to bear in mind the staffs' work life balance and the amount of meetings that they have on top of their already very full day.</p> <ul style="list-style-type: none"> • Playground buddies <p>We do have Playground Buddies- they are trained by Miss Austin and start in January.</p> <ul style="list-style-type: none"> • More sporting opportunities
----	--

This term the focus for QEG's has been the Yr 5& 6 age groups apart from Cross Country which was open to everyone.

Next term the following opportunities are available;

- Basket Ball
- Sports hall athletics
- gymnastics
- tri golf
- Netball
- splash down swim
- tennis
- football
- quad Kids
- kwick cricket and rounders.

We have also teamed up with the squash club, Golf club and an athletics coach to offer a range of taster sessions for the children during the spring and summer terms. We also offer a variety of clubs and activities which are run by members of staff and coaches.

- Well the school has done so much, I can't think of anything. School is excellent.
- I would appreciate feedback when my child has been on the yellow board. Several weeks later my child remembered to tell me.

As a school we only give feedback for pupils on the red board- these instances are few and far between

- It's already awesome
- No issues at present
- Not really sure- whole family attended this school as some point and has always been the perfect place for our kids
- My child is a junior and would like to be involved in drama. I know that other schools do summer productions, my child would like this very much as she feels left out at Christmas.

The junior pupils lead the Christmas Carol concert and have been doing this for the past 3 years. As we now have more upper juniors we will be doing a Summer Production.

- Nothing I think St Oswald's is great
- Nothing comes to minds, we are very happy with our child's school.
- Just keep doing what you do.
- Sports opportunities. At Parkside there seems to be loads of opportunities to put their names down for various sports competitions. (Please see above feedback, we do and have the same opportunities as Ashbourne Primary)
- Also it would be good if the Juniors had a chance to do a Christmas production /show choir or something. (Please see above feedback)
- Just keep doing what you do.
- I feel the after school opportunities let the school down. There isn't enough readily available at each stage.

We try and offer a varied amount of opportunities for pupils- French, dance, athletics, football, film club, netball/hockey, stay and play,

- Website needs continuously updating.

This is updated with dates, newsletter and class pages are updated as often as possible

- Maybe more after school activities? Dance, gymnastics, self defence, sign language?
- Think it would be nice for the children to do a monthly, fortnightly magazine that the children create can ask information from the children what they can do if they feel

	<p>singled out, drawings, or writings children have done, fun characters, suggestions, awards page, things like that which will encourage the children to push themselves further so they get into the magazine. (This would be lovely but again it would be for someone to organise and do and at the moment teachers and TA's are currently under immense pressure with the additional aspects of the teaching job that they do. As the school continues to grow and we have more staff then this is something we can consider) Also for sponsors, maybe print out a blank form with the sponsor boxes but allow the children to write at the top what they would like to do to raise money (if that's not too daft)</p>
	<p>I would recommend this school to another parent. (yes or no)</p> <p>Strongly agree yes</p> <p>Yes x33</p> <p>Hell yeah!</p> <p>Possibly</p> <p>3 left blank</p>
